Facility / Maintenance Manager,

I am requesting to be placed on your bidders list for the asphalt maintenance items listed below. We have successfully been in the pavement maintenance business for over 50 years.

Our services cover complete parking lot maintenance but specialize in the following:

Asphalt Paving / Patching

Sealcoating

Asphalt Rejuvenator

Hot Rubberized Crackfilling

Parking Lot Striping

Concrete Wheel Stops

Some of our current satisfied customers are Nalco Chemical, Arlington International Racetrack, Grand Victoria Casino, Fox Valley Mall, Harper College and the list goes on. Please note that we specialize in large installations but also provide to smaller projects as well.

I would appreciate the opportunity to present you with a free estimate for any parking lot repairs that might exist. If budget constraints exist, I would be happy to present you with proposal numbers for your budgeting for next year.
